

Teacher Training Program by APL Global School

Based on your requirements we are planning to facilitate three workshops from the 2nd to 4th of May 2018, in your institution, Christ Nagar International School, Trivandrum. Considering that the candidates attending the three sessions will be the same, these workshops are being planned to have coherence from one session to the other. The workshops are also derived from best practices recommended for Cambridge curriculum.

Day One– Designing an Effective Lesson Plan 10am - 3.30pm

We understand that you wish for a brand new perspective on the design of a lesson plan. Based on that we plan to help your teachers analyze relevant factors and create a template that can be used effectively to plan excellent teaching lessons based on Cambridge curriculum.

Day Two – Teaching with Assessments 10am - 3.30pm

In this session teachers can understand how to set goals, and teach for understanding. Teachers can learn to plan ongoing assessments, prepare feedback and use these as effective teaching aids.

Day Three – Developing a Reflective Practitioner 10am - 3.30pm

This experiential session will introduce teachers to strategies that can help them to develop a growth mindset. They can derive the benefits of learning through a cycle of reflective processes that can empower them towards personal and professional development.

Schedule

Timing	Day 1	Day 2	Day 3
10.00 - 10.20	Ice breaker, establishing objectives & ground rules	Revisiting previous day's learning, establishing objectives	Revisiting previous day's learning, establishing objectives, mindfulness moment

1.45 - 3.00	Performance of Understanding	Active teaching & learning	Performance of Understanding
3.00 - 3.30	Plenary & Feedback	Plenary & Feedback	Plenary & Feedback

Requirements

Please make arrangements for table-and-chair seating for all participants. A cluster arrangement of 5 participants per table is highly recommended. The trainer will be using a laptop for presentation. Please provide facilities for overhead projection, speaker, white board, bulletin/pin-up board and a wall clock.

Each teacher may carry a notebook, preferably unruled. They may also bring their own stationery items, including a box of coloring material or sketch pens. Please request teachers to carry a copy of their subject syllabus or any one of their textbooks based on their class allocation. A copy of the school academic calendar will be useful.

About the Trainer

Dr Asha Porayath, Head of Training and Teacher Mentor Centre, has been in the field of education for almost 25 years. Having a bouquet of experience as school head, biology teacher, teacher mentor, life coach, textbook author, and student mentor, Asha has been actively engaged in the professional and personal development of teachers throughout her career. She is also currently the Programme Leader for Cambridge International Diploma in Teaching and Learning. She is a proud parent of two children. Her interests include art, music, dance, and books.
