Jesus Christ
Our Guiding Force

Lead Kindly Light !

*Keep us always in the right Way
And guide us always to the Truth
That alone can enrich our Life*

CMI Education Policy Statement

We, the Carmelites of Mary Immaculate, after the example of our founder Saint Kuriakose Elias Chavara, consider education as the integral formation of the human person for the fulfillment of his/her individual and social responsibilities.

Our educational endeavours aim at forming leaders who are intellectually competent, spiritually mature, morally upright, psychologically integrated, physically healthy and socially acceptable, who will champion the cause of justice, love, truth and peace, and who are ever open to further growth.

The secret of the success of our educational institutions is a community of teachers who are committed to their vocation, professionally competent, morally upright, just and humane in dealings, culturally sensitive and who grow in the true vision of education.

We aspire towards creating a just and humane society where dignity of the human person is respected, where unjust social structures are challenged, where our cultural heritage of ahimsa, religious harmony and national unity are upheld, and where the poor and the marginalized are specially taken care of.

We have to reach out to the families, primarily of the students, to assist them in their needs, to share in their joys and sorrows, and to help them experience love and freedom so that the students realize that our educational institutions are an extension of their homes.

Our institutions are open to all students irrespective of caste and creed; they are accepted and cherished as they are and are helped to grow in their cultural, social and religious traditions. As they are privileged to be in our institutions, they will also have the right to get acquainted with the person of Jesus Christ and his Gospel. Being institutions established and administered by and for a minority community based on religion, they will give preference to Christians in admissions and appointments and have a special concern for the faith formation of the Christian youth.

Our institutions are also open to society at large by making their resources available for the ongoing education and growth.

For the realization of this CMI goal of education, we invite students, parents and teachers to share this vision and to cooperate with us wholeheartedly.

THE LORD'S PRAYER

Our Father in heaven, holy be Your name;
let Your kingdom come; Your will be done
on earth as in heaven .

Give us our daily bread. Forgive us our sins
as we forgive those who sin against us. Do not let
us fall into temptation but deliver us from evil.
Amen

PRAYER BEFORE CLASS

O loving and merciful God / Inspire us / to choose
good / and to avoid evil. / Allow us the sensitivity
/ to see the needs / of our neighbours / and the
strength / to respond gently.

Give us the courage / to follow the truth, / and the
grace / to know you.

O God / all knowledge is in you. / Bless our
studies, / enlighten our minds, / strengthen our
memory, / and direct our will / towards what is
right. / O God bless all the CNItes / and our great
CNIS. Amen

PRAYER AFTER CLASS

We thank you, Almighty God, for having helped us
in our lessons, and having kept us healthy and
happy, all throughout the day. Amen

PRAYER BEFORE EXAMINATION

O God, enlighten our minds, strengthen our
memory, and bless us to do well in the examination.
Keep us healthy, in mind and body, all throughout
our examinations. Amen

Trust your mother, God will hear the prayers of the Mother as your own.

DAILY PRAYER OF CNites

Oh, loving and merciful God, I thank You for this new and wonderful day. Bless me and this day. Fill me with Your grace. Bless me so that I can dedicate my time and energy for studies.

Give me the strength to resist all the distractions which will affect my studies.

Grant me keenness of mind, capacity to remember, skill in learning, subtlety to interpret and eloquence in speech.

May You guide the beginning of my work, direct its progress, and bring it to its completion.

Give me the courage to ask questions when I don't understand. Give me the humility to ask for help when I need it. Help me to accept the grades that I get after I have done all that I can do.

Let me be grateful for having the privilege of studying at Christ Nagar International School while many others don't have such a rare opportunity.

Help me to make the most of the wonderful gifts you have given me. Help me to use my words, and actions carefully and let me be a gentle and polite student so that I may be loved and respected by all. God I promise that today I will be a Good Student.

Give me hope for the future and help me to trust that whatever the future brings, You are there with me, holding me in Your loving embrace.

As food is for the body, so is wisdom for the intellect.

God bless my dear and Loving Parents and my Home.
 God bless my Great Christ Nagar International School,
 its management, my Dear Director,
 my Dear and Loving Teachers, non-teaching staff and
 coaches of our co-curricular activities.

Dear God, bless all my class mates and
 all the students of CNIS.

Grant me the blessing to
 love them, help them and work with them.

I love you God

Bless Me and My Great CNIS.

I am a CNITE I love my CNIS

LEAD, KINDLY LIGHT

Lead, kindly Light, amid th' encircling gloom,
 Lead Thou me on!

The night is dark and I am far from home,
 Lead Thou me on.

Keep Thou my feet; I do not ask to see
 The distant scene: one step enough for me.
 So long Thy power hath blessed me, sure it still
 Will lead me on.

O'er moor and fen, o'er crag and torrent, till
 The night is gone;

And with the morn those angel faces smile,
 Which I have loved long since, and lost a while.

Go to school regularly and recall to mind what is taught during the week.

PRAYER OF ST. FRANCIS OF ASSISI

Make me a channel of your peace,
Where there is hatred, let me bring your love,
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.

*Ch. Oh Master, grant that I may never seek
So much to be consoled as to console,
To be understood as to understand,
To be loved as to love with all my soul.*

Make me a channel of your peace,
Where there's despair in life, let me bring hope,
'Where there is darkness, Lord, your shining light,
And where there's sadness, ever joy.

Make me a channel of your peace,
It is in pardoning that we are pardoned,
In giving to all men that we receive,
And in dying that we're born to eternal life.

SCHOOL ANTHEM

Hail ! Christ Nagar Alma Mater! Hail!
 We, thy children, in grey and blue,
 Around thy glorious banner stand,
 With lamps lit from thy sacred Light
 To guide our steps in the encircling gloom.
 Singing the hymn of Rishis of yore.
"Tamaso ma jyothir gamaya"

God bless our glorious Alma Mater!
 In faith and hope we'll march ahead
 In quest of Truth that liberation brings
 From bondage of falsehood, ignorance and death
 Ush'ring in the Lord's joy
 As we chant the Maharshi's hymn,
"Asato ma Sat gamaya"

O glorious Christ Nagar, Alma Mater!
 Teach us to love and bright'n the world,
 That is crippled and broken apart,
 By our own greed, hate and malice.
 O ! help us heal this moribund world,
 And make it whole, an abode of peace.

CHRIST NAGAR GROUP OF EDUCATIONAL INSTITUTIONS

A HISTORICAL SKETCH

The contributions made by the Carmelites of Mary Immaculate (CMI), the first indigenous Catholic Congregation of India, in the educational field of Kerala were pioneering and revolutionary. Saint Kuriakose Elias Chavara, the Founder of the CMI Congregation, established the first Catholic School of Kerala at Mannanam in 1846. All the other CMI Monasteries also followed that movement. In the year 1864, Blessed Chavara, in his capacity as the Vicar General of the Syro-Malabar Church, ordered all the parishes to start schools adjacent to them. This historic order triggered the emergence of a galaxy of educational institutions all over the State. It also became the basis of the socio-economic development of the whole State. The main aim of the entire educational endeavour of the Congregation is to bring about a social transformation with emphasis on an option for the poor, coupled with the target of the moral reconstruction of the society. Today, the CMIs run about 449 educational institutions which include Schools, Arts and Science Colleges, Autonomous Colleges, M.Ed and B.Ed Colleges, Engineering Colleges, Polytechnic Colleges, ITC Centres, Nursing Schools, Research Centres and a Medical College.

Christ Nagar Group of Educational Institutions

Christ Nagar Group of Educational Institutions consist of five unaided, recognized schools under different Boards of Education, an Arts and Science College and two Kindergartens.

All these institutions are owned and managed by the Fathers of the Catholic minority community and of the Catholic religious congregation, Carmelites of Mary

Immaculate (CMI). The Prior of Christ Hall is the Manager. All these institutions are co-educational.

Christ Nagar Eng. Hr. Sec. School (State Board)

Christ Nagar English Higher Secondary School was started in 1976 as a recognized and unaided English Medium School recognised by the General Education Department, Government of Kerala. The school was upgraded to a Higher Secondary School in 2002 with Science and Commerce streams in standards XI and XII.

Christ Nagar Hr. Secondary School (ICSE)

Recognizing the competency and resources of the management of Christ Nagar in running educational institutions with efficiency, the public pressurized the school authorities to start a school on the national pattern of syllabus and curriculum for the children of the parents who have interstate transfer. Thus Christ Nagar ICSE School was started in 1994 and it was upgraded to a Higher Secondary School in 1996 with the Science stream in Classes XI and XII.

Christ Nagar Kindergarten, ICSE

The pre-primary section - Christ Nagar Kindergarten- was started in June 1999. The Kindergarten is run under the guidance of an advisory board of expert educationists, and by a team of professionally trained and dedicated teachers. It caters to the developmental and educational needs of children under six years of age in accordance with the contemporary principles of child education during this formative period of childhood.

Christ Nagar Central School (CBSE)

Once again, catering to the public demand, the Christ Nagar Management started the Central School at Vellayambalam in 2005 with classes from 1 to 10, affiliated to the Central Board of Secondary Education, Chennai.

Christ Nagar Kindergarten, CBSE

Christ Nagar Kindergarten along with the Christ Nagar Central School, Kowdiar was started in June 2015.

Christ Nagar Public School, Valakkadu, Attingal

Christ Nagar Group of Institutions started its ninth institution-Christ Nagar Public School- at Valakkadu, Attingal in the year 2016.

Christ Nagar Central School, Kuchapuram, Trivandrum

Christ Nagar Central School, Kuchapuram is an English medium co-education school, established in 2008. Along with the school at Attingal, the Kuchapuram school also was started with the aim to take the Christ Nagar legacy beyond the city limits.

Christ Nagar International School (IGCSE)

In response to the increasing demand for quality education that is global in nature, the Christ Nagar International School was started in May 2004. The school is affiliated to the Cambridge Assessment International Education, UK, a unit of the University of Cambridge, and provides a high profile qualification, recognised by universities and institutions of higher education around the world.

CNIS is the first CMI school to attain the Cambridge Assessment International Education (CIE) status and the second in Kerala. The academic ambience of this school and its serene setting induce the best from every student who comes to worship in this temple of knowledge and wisdom.

CNIS Kindergarten

Suggestions to Parents

- 1) Good education is the joint effort of CNIS and the parents. The full co-operation of the parents is earnestly solicited. Children learn not only from the class rooms, but also from other sources, such as home, books, friends, library, radio, cinema, TV, internet etc. Hence parents have a great responsibility to provide access to such sources but with great care. As children come to school from different backgrounds it is advisable not to compare one child with another. If children complain about school matters, parents are requested to inform the Principal of such matters and withhold their judgment until proper investigation is made. A little care in such matters often prevents unhappy consequences.
- 2) If your child has habits or traits, which need special observation, the Principal and class teacher may be taken into confidence.
- 3) Parents are expected to co-operate with the school authorities by ensuring punctuality and discipline, by seeing that their children prepare their lessons and by taking active and healthy interest in their activities in the School.
- 4) Parents are advised to attend the Parent-Teacher Meetings regularly and make use of the opportunity to discuss the problems, development and progress of their wards.
- 5) Occasional reports from teachers are made in the school handbook. Parents are requested to acknowledge them by signing the same.

- 6) Private tuitions are not encouraged.
- 7) Parents and guardians are specially requested to notify the school of any change in their address or phone numbers.
- 8) Meeting teachers in the class and during class hours is not permitted. However, teachers will be available on the second and fourth Fridays of every month after school from 2.00 pm to 3.00 pm. Parents can meet their wards' teachers in their respective classes. On other days, they shall meet the teachers only with the prior permission from the Principal.
- 9) Any clarification regarding school work should be discussed with the teacher in the school itself. Phone contact with teachers is not allowed during the school hours.
- 10) Only the parents of Grades I and II are allowed inside the school premises at school dispersal.
- 11) Birthday celebrations are restricted to distribution of sweets only. Cutting cakes is not allowed.
- 12) CNItes are not permitted to leave the school premises during school hours. They can be called from the class only if the Principal permits. For taking them outside the campus, an outpass is needed. The respective class teacher should also sign the outpass, before presenting it to the Principal.
